

Sierra Golf Club

The Sierra Golf Club is located in Pętkowice near Wejherowo on an area of 82 ha at the border to the Tricity landscape park. About 25 km east of Wejherowo is situated the historical Tricity about Gdańsk, Sopot and Gdynia.

Many attractions, good standard Hotels, Restaurants, Bars and kilometers of white beaches and sights are making the tourist based area attractive for everyone.

The Sierra Golf Club offers a challenging, 18-hole championship (par 72) course with modern driving range, equipped with Scope video system and 25 covered rain stands, putting, chipping and pitching green.

Sierra Golf Club Provides 38 Club Cars „Precedent” equipped with an innovate Golf GPS system. The GPS device with an 11 inch LCD color screen and Wi-Fi wireless telecommunications module supports the golfers with maps, distance information, player positions, scores and various tips. For the walking golfer Sierra is offering a unique special: the exclusive „JuCad Golf” pull trolley.

The comfortable Club House is an exceptional meeting place for members and guests of the Club. In its friendly atmosphere players may share their passions and emotions. The Clubhouse inside presents in exclusive atmosphere two fireplaces, a pool room, bar and restaurant, two simulators and comfortable locker rooms.

The Pro- Shop is offering high quality and renowned brands in the range of Golf equipment, gadgets and clothing as well as outdoor fashion for non Golfers!

Sierra Golf Club is above all a place for active recreation for You, Your family and friends, employees, clients as well as partners.

It offers various possibilities for collaboration, organization of parties and meetings.

Gdansk Golf and Country Club

Commonly known as Postołowo Golf Club located 28 km south to Gdansk is ranked by the TOP100 Golf Courses of the World as the best golf course in Poland and 84th on the list of TOP100 Golf Courses in Continental Europe

<http://www.top100golfcourses.co.uk/htmlsite/productdetails.asp?id=1152>

It is also the second longest PAR 72 course in Europe with a length of 7101 meters and from the tips one of the most challenging golf courses in the world.

The well-known course architect, Mr Jeremy Turner when designing the course said:

"THE COURSE ITSELF WILL BE QUITE SPECTACULAR WITH THE MAGNIFICENT LAKE OFFERING BREATHTAKING POSSIBILITIES FOR DRAMATIC GOLF HOLES"

What I have tried to do with this beautiful tract of land was to create a golf course that is really a challenge to the good player. At the same time, I wanted to make it very enjoyable for the higher handicap players.

My firm belief is that this course will provide a stimulating golf experience of which one will never tire. It will most certainly be a course with which I shall be proud to have been associated."

The course is built according to the strict USGA standards and the Club has already staged many major championships. They were:

- The POLISH OPEN GOLF CHAMPIONSHIP 1997 , 1998 , 2007 and 2002 - The 22nd EUROPEAN BOYS TEAM CHAMPIONSHIP
- 2008 -The EUROPEAN MID AMATEUR CHAMPIONSHIP .

Sand Valley Golf & Country Club

Sand Valley is located in northern Poland in Pasłęk, on the main Gdansk to Warsaw road (E7). Drive time takes one hour from Gdansk. Sand Valley takes about 2.5 hours driving from Warsaw. Sand Valley hosted the PGA Cup in September 2009.

They have some of the most biggest and impressive greens in Europe. Green 18 is "68 metres long" and some of our bunkers are the most impressive in Europe. The course can be described as an inland golf links as there is very little trees, sloping fairways and sand based soil, with nice elevated and undulated greens.

Customers travelling to Sand Valley are mainly scandinavian, german, british golf groups and polish, however we have quite a large overseas membership.

The name "Sand Valley" originates from intriguing natural canyon that splits the centrally placed old forest into two separate sandy plateaus. The sand is a dominating characteristic all over the golf course.

Sand Valley features four sets of tees up to a maximum of 6355 meters par 72 from the Championship tees. The course took three years to build and our co-designers Lassi Pekka (Fin) and Tony Ristola (Can) wanted a course to suit every golfer.

The Finnish style Club House was built in September 2009 with underfloor heating and a beautiful outside fireplace to encourage barbecues. This clubhouse acts a model home for the new home purchases at Sand Valley.

The Golf Complex also has a 6 hole Golf Academy course, and a 300m Golf Range which are very popular for big or small events.

Sand Valley has a fully stocked pro shop, where you can test custom made golf clubs and purchase many accessories including balls, trolleys, clothes with the Sand Valley logo.

Sand Valley, Sierra Golf Club and Postolowo Golf Club have joined forces to make northern Poland a very attractive golf destination. We feel the direct flights into Gdansk, increased sunlight, and the quality of the nightlife on offer here will prove attractive to all foreign and domestic golfers.
