Dear passengers,

In case there was a person onboard who may have been suffering from a contagious or communicable disease, the local Health Authorities will require the following personal data in order to protect you and to avoid further spread of the suspected illness. The data obtained will be used exclusively for the execution of our legal obligations. In case of an infection risk you shall be contacted and as soon as it has been established that no health risk exists, the data shall be destroyed. Stena Line will destroy the collected data 30 days after arrival.

(Order by the German Ministry of Health pursuant to section 5 of the German Act on the Protection against Infection (Infektionsschutzgesetz).)
